Basin Roundtable Project Exploration Committee: Flaming Gorge
June 22, 2012
Meeting Agenda

Location: Pikes Peak Area Council of Governments, Lower Level Conference Room
15 S. 7th St., Colorado Springs (parking and entrance on east side of building)

Objective:
• Gain better understanding of Committee members’ perspectives on a possible Flaming Gorge project
• Identify highest-priority topics for future Committee exploration and discussion

Agenda

10:00 am Introductions and Agenda Review
10:20 am Public Comment
10:30 am Committee Members’ Perspectives on a Flaming Gorge Project
• Members of the Committee will each have 6 minutes to share with the group their answers to the following questions:
  o What are the three most important things you want the Committee to know about your perspective on a Flaming Gorge project (negative impacts, benefits, costs, opportunities, etc.)?
  o Of those three things, which apply only to a Flaming Gorge project and which apply generally to any new transmountain diversion?
  o Do you think the Committee already knows enough about each of these topics or should the Committee explore one or more of them further at a subsequent meeting?
• The Committee will identify a few topics from member presentations for further discussion in the afternoon session of this meeting.
• The time limit will be strictly enforced to ensure fairness for all Committee members.

12:00 pm Break for Lunch
Note: Lunch will be provided for Committee members and facilitation staff only.

12:30 pm Resume Committee Member Presentations
1:00 pm Further Exploration of Areas of Common Interest from Member Presentations
2:30 pm Identification of Topic for Next Meeting
2:50 pm Public Comment
3:00 pm Adjourn
