

**B. Voices of the Natural Stream**

O you Commissioners  
O you dividers of me

O you who deliver me  
plum peach cherry grape

Cow fox egret sheep  
Rapid kayak turbine reach

Fire plug O garlic sprout  
black diamond run

The greenback trout  
O sudsy mug

My river call  
My head gate wheel

My tumble weir  
O falling wild

Delivery room  
My civilizing scarcity.

(in celebration of the Water Commissioners  
on their 125<sup>th</sup>)
